

Downgrading Machines

Machines in Plant Assessor are one of four levels -

FREE

PLUS

EDGE

EXCHANGE
(sale assessments)

You can have a combination of machine levels in your membership.

Machines can be downgraded to a lower level at any time.

1. Select one or multiple machines
2. Click **DOWNGRADE MACHINES**
3. Select the machine level you wish to downgrade to
4. Click to agree to payment terms & conditions
5. Once completed, click **SAVE**

TIP:

Downgrading a machine level means some Plant Assessor features may no longer be available. The actions taken are listed below the level name
- eg. Machine Documents no longer available.

NOTE:

The remaining component of the minimum 12 month fee will be charged when downgrading an **Edge** machine.
