

Setting Up Favourites

Favourites are machines that an individual user interacts with regularly e.g. to complete a daily pre-start check. Favourites are specific to each Plant Assessor user.

When you log in on a mobile device such as a smart phone or tablet the favourites page loads by default.

1. Use **KEYWORD SEARCH** box to find machine
2. Once machine is found click **EDIT**
3. Click **STAR** to add to favourites
4. Click **SAVE**
5. Click **CLOSE**
