

How to remove a machine

Dynamic fleets are always changing, therefore the Plant Assessor home screen includes a simple function to remove a machine from your membership.

The options you have to remove a machine will depend upon whether you have conducted a sale assessment on the machine you wish to remove.

1. Keyword Search
2. Find Machine
3. Click **Remove From Fleet**

The screenshot shows the 'Machines' management interface. On the left is a sidebar with a green '+ ADD NEW MACHINE' button and a search bar labeled 'Keyword Search' (marked with a red '1.'). Below the search bar is a 'FILTER BY' section with a plus icon. The main area is titled 'Machines' and shows a list of machines with checkboxes for selection (marked with a green '2.'). The machines listed are:

- Isuzu - NPR 400 4x2 (Tipper)**: Asset Number: TPR-001, Owner: Bob The Builder Inc.
- ACE Trailers - Dual Axle (Plant Trailer)**: Asset Number: PT-001, Owner: Bob The Builder Inc.
- Hino - FC 4x2 (T/Top)**: Asset Number: TT-001, Owner: Bob The Builder Inc.
- Caterpillar - 305E CR (Excavator - Small (0 - 9.9 Tonne))**: Asset Number: EX-001, Owner: Bob The Builder Inc.

For each machine, there is a 'CREATE PRE-OP' button. On the right side of the machine list, there is a vertical menu with a plus icon and a 'RE' button (marked with a green '3.'). The menu options are: 'Edit Machine', 'Create Pre-Op', 'Create Assessment', and 'Remove From Fleet'. At the bottom of the menu are 'LIBRARY' and 'REPORT' buttons.

TIPS: Use the advanced search options to filter using various different criteria to highlight machines requiring
